Go Red for Women

This year's Go Red for Women Luncheon attracted more than 350 ladies. The event, which uses red to raise awareness about women and their risk of heart disease, featured health screenings by presenting sponsor HCA TriStar, lunch, a red hot silent auction and health information sessions. This year's theme urged women to "Go Red in their Own Fashion." Funds raised from the event benefit the American Heart Association and go toward local research and education.
